The Secretary General announced that the day's lunch was being hosted by Bk. B.L. Chhibber IRS (Retd.), Vice President, who had celebrated his marriage anniversary on the 3rd February 2013; and was celebrating his birthday, on the 12th February 2013. Bk. B.L. Chhibber & Smt. Janak Chhibber later exchanged *Jayamalas* and were greeted and congratulated by all present.

6th Grand Matrimonial Mela: Smt. Krishan Lata Chhibber, Secretary (Matrimonial), announced that the GMS is organizing the 6th Grand Matrimonial Mela at Khanna, on the 31st March 2013, in association with MS Khanna and other local sabhas nearby. She requested all Mohyals, with marriageable sons/daughters to send the bio-data of their wards, in the prescribed form, to the GMS, or MS Khanna, by the 28th February 2013. She also requested them to participate in the Mela in large numbers and make it a grand success.

Mehta O.P. Mohan mentioned about the Republic Day celebrations at our schools at Dehradun and Hardwar, on the 25th and the 26th January 2013, as also the Mohyal Milans at Ludhaina (celebrated in honour of the girl child) and Karnal. He said that the Mohyal Ashram Vrindavan was now fully operational, with at least 5-6 rooms being occupied every day. The previous caterers from Hyderabad had left and now the catering was being done by our own people. There was some problem regarding the solar tank, which was being rectified. All the incomplete works are likely to be completed by the end of March 2013 and he hoped that from April onwards the number of occupants may go up.

He also announced that, keeping in view the increase in costs, it has been decided to marginally increase the rate(s) of donations for the suites, rooms & dormitories in the Ashrams at Haridwar & Vrindavan, Mohyal Bhawan, Inderpuri, as well as the monthly donations in Sewa Sadan, w.e.f. the 15th February 2013. While there was general agreement for the need to increase the rates, Shri J. C. Bali, and a few other members were critical of the fact that the increases were being effected, without taking the approval of the Managing Committee. They were of the view that the matter, after discussion in the FAC, should have been got approved by the Managing Committee, before the new rates were given effect to. Some members also felt that the new rates may be communicated to the Presidents/Secretaries of the local sabhas.

Shri Sanjeev Bali from MS Yamuna Paar, mentioned about the elections conducted by the sabha for its new Managing Committee; more than 200 members had taken part in the elections. The news had already been published in the Mohyal Mitter.

Dr. Rattan Datta announced, amidst applause, that IGNOU has allocated 81 students to MERIT, for the next academic session, and now the student strength in MERIT was more than 150. More students were expected in the future and in the next two years the strength was likely to be 250. He, however, regretted the fact that Mohyal students were not taking advantage of the facilities at MERIT.

He also stressed the need for more space for MERIT for having more class rooms and computer labs. He also stated that, due to the efforts of MERIT, the DGET had carried out changes in the norms etc for the various trades under the NCVT, which would result in savings of more than Rs. 300 crores for the whole of India. The major suggestion of MERIT, which was accepted by the Govt. of India, was the use of free software instead of branded software. The announcement was greeted by the members with applause.

Mehta O.P.Mohan, while congratulating MERIT, felt that in the next two years, the whole building of the Mohyal Foundation may be occupied by MERIT. He requested the local sabhas to encourage the Mohyal students to avail of the facilities in MERIT. Hostel accommodation can be provided to them at the Mohyal Bhawan Inderpuri. Shri P.K. Datta also conveyed his congratulations to the entire MERIT faculty & staff for the achievement.

Shri J.C. Bali raised the question of elections of the Office Bearers and stressed the need for democratic functioning of the GMS and the need for practicing economy. Mehta O.P. Mohan, while pointing out that the expenditure in the various funds was more than the income, as stated by the Secretary General, in his report at the Presidents/Secretaries Meet, invited suggestions from the members for reducing the ex-

penditure. Shri V.S. Mehta (from MS West Zone) offered the free services of his sabha to help reduce the expenditure of the GMS.

It was decided that online booking of rooms in the Ashrams should be facilitated, for which Dr. Rattan Datta was requested to have the necessary software prepared. Dr. Datta stated that a study in this regard had been conducted a couple of years back, but it could not progress for want of internet facility in the Mohyal Ashram. He promised to get it done by MERIT, which will be free of cost, whereas an outside agency may charge as much as Rs. 20 lakhs for this work.

Bk. B.L. Chhiber IRS (Retd.), while apologizing for his coming late for the meeting, stated that this was because, the day being Mauna Amavasi, he had to perform certain special pujas on the occasion and that took time. He mentioned that this was a very special day, as the sun, moon, and Guru come together on this day, which phenomenon occurs once in 300 years. This combination is good for the people on earth, because the sun helps in attaining high positions, moon brings coolness & health, and guru, vidya and luck.

He said that, after the Presidents/Scretaries Meet, he had been receiving many telephone calls from concerned Mohyals about the financial position of the GMS, in view of the bleak position revealed in the Secretary General's report. He assured all that the financial position of the GMS was quite sound and what had been projected by the Secretary General was that the various funds of the GMS were not self-sustaining and he had stressed the need for self-sufficiency in the different funds. There was no need to be alarmed about this, as the GMS has an assured income from renting out part of its premises to PATH. Besides, the GMS is having individual trusts, whose corpus is around Rs. 6 crores, even though only the interest income therefrom can be used for the welfare activities of the GMS. He concluded by reciting a *sloka* from the Ramayana (which stressed the need for the income to be more than the expenditure, and giving only to those deserving and not to the undeserving) and another addressed to *Suryadevata,* for giving long life, with all faculties functioning well.

The meeting came to a close, after the recitation of the *Gayatri Mantra* & *Shant Path*, led by Smt. Krishan Lata Chhibber. The participants them dispersed to enjoy the sumptuous lunch hosted by Bk. B.L. Chhibber IRS (Retd.).

Smt. Sudesh Datt (Agra) awarded KVS National Incentive Award

Smt. Sudesh Datt (w/o Shri Zafran Datt, daughter-in-law of the late Maj. M. B. Datt & Smt. Savitri Datt, and sister-in-law of Shri Kamran Datt, President, MS Agra), was honoured with

the KVS National Incentive Award - 2012, at a grand function, held at SR Auditorium, Delhi Cantt, on the Dec 2012, in recognition of her outstanding services in the field of education and her contribution towards the holistic development of pupils.

Smt. Sudesh Datt had joined the KVS as TGT (English), in 1993, and is currently posted at KV No. 2, Agra Cantt. She was given a cash award of Rs. 10,000/-, a certificate and a shawl, for her meritorious achievements and dedication towards her vocation.

On this occasion, Smt. Savita Datt, w/o the late Major Mast Bahadur Datt, donated 1,100/- to the GMS, for addition to "Mehta Devan Chand Devi Trust".

Humility exalts man to the heaven of glory and power, while pride abases him to the depths of wretchedness and degradation..... Those who are the beloved of God, in whatever place they gather and whomsoever they may meet, must evince, in their attitude towards God, and in the manner of their celebration of His praise and glory, such humility and submissiveness that every atom of dust beneath their feet may attest the depth of their devotion.

—Saying of Baha'u' llah

Humility is the virtue of the cultured.....It is but human to make mistakes, to fall a prey to some temptation, to get enchanted by some false emotion, or to get carried away with a wrong intention. But how soon can one regain one's original goodness measures one's spiritual poise acquired. Fall as often as you must, but don't lie down where you have fallen! Be like a rubber ball; rebound and reach again the summits from which you had fallen.

Presidents and Secretaries Meet: The President apprised the house about the deliberations at the meeting of Presidents and Secretaries of Local Sabhas, convened by the GMS on 20.1.2013, which was attended by 44 local sabhas. This meeting provided a rare opportunity for discussing various important issues, concerning the Mohyal community and also exchanging views at inter-sabha level. In short, this meet was a grand success. The President specifically drew the attention of the house to the speech delivered by Shri D.V. Mohan, Secretary General, GMS, who had expressed his concern over the fact that almost all funds relating to the ongoing facilities, be it Mohyal Mitter, Mohyal Ashram & Mohyal Sewa Sadan, Haridwar, Mohyal Bhawan, Inderpuri, assistance to widows, disabled etc. are incurring a major deficit. He had given a detailed picture, duly supported by facts and figures of income, as well as expenditure, and the resultant deficit against each of the above facilities. The house felt that this was a very timely wake-up call, which needed serious consideration, before it was too late. The members were unanimous in their view that, considering the steep rise in prices, there was an urgent need to suitably revise the rates of subscription of Mohyal Mitter, with the GMS exploring possibilities of adding a few educational and medical-related advertisements to make it self-financing; similarly, the rates of donation for stay at the Mohyal Ashram be suitably increased, both for Mohyals and non-Mohyals. The sabha will wholeheartedly support any policy decision, taken by the GMS, to tackle the problem of deficit. Efforts should, however, be made to economise the expenditure, without diluting the welfare activities of great importance.

The meeting concluded with a vote of thanks to the Chair and the host.

A SPIRITUAL JOURNEY TO THE PURNA KUMBH MELA – MEETING PLACE OF GOD'S ARMY

The Yogoda Satsang Society had set up camp at the *Purna Kumbh Mela-2013,* at Prayag, Allahabad, and invited me to be part of the same. With my previous experience, during my spiritual visits to Kailash Manasarovar and Tapovan, I

felt confident of coping with the biting cold of January at Prayag, and, with the necessary warm clothes and bedding, I left for Allahabad and reached the Base Camp on the morning of the 16th January 2013. A visit to the Purna Kumbh Mela at Prayag, Allahabad, was a lifetime experience for me, for which I was provided a slot of 5 days, from the 16th to 20th Jan., by the Yogoda Satsang Society of India.

The Mela ground is spread over around 5000 acres, divided into 14 sectors, with the holy river Ganga, coming from the north, and the river Yamuna, coming from the west, to join

the mythical river Saraswati, at the Sangam. The Mela period (10th Jan to the 16th Feb.) is considered auspicious, for spiritual upliftment and a dip at the Sangam during this period is supposed to lead to salvation. On the auspicious day of *Makar Sankranti*, on the 14th Jan., an estimated 1.10 crore devotees had taken the holy dip at the Sangam.

On the morning of the 18th Jan, I, alongwith a few co-devotees, went by boat from the Ghat to the Sangam, for a religious ritual of bath and *Pind Daan* to our ancestors. The journey, in the morning, was very enjoyable, with pleasant chilly weather, in the company of Siberian ducks.

On our return journey, in the afternoon, we visited the *Barfani Baba*, reportedly 266 years old. When we had his *Darshan,* he appeared to be around 80 years only. We had earlier had a *Darshan* of *Sivananda Baba*, who is reportedly 117 years old; and had had interaction with him. He is based at Varanasi and promised that he will make a visit to Nagpur, along with a few of his devotees. We also attended the camp of *Pilot Baba*, who had been an Air Force pilot, before switching over to the spiritual life. He has followers from all over the world. We had the privilege of listening to his *Pravachan* (preaching), rendered in a very forceful language, for an hour, in the afternoon; he has a really magnetic personality. We could also meet the *Naga Sadhus*, who were housed in tents, provided by the Mela organizers in various sectors.

A group of devotees, called *Kalp-Vasu*, camp at places chosen by themselves, along the banks of the river. I had the *Darshan* of one such *Kalp-Vasu* swami, on the morning of the day of my departure from the Kumbh Mela. His followers stay in the open, in the biting cold, on the sandy Ghats. He takes three baths daily, starting from 3 AM; and drinks a herbal decoction prepared by himself, for sustaining his body. This I could personally see, when I met him, on the early morning of the 19th Jan.

This spiritual journey was a thrilling experience for me; in fact, the Kumbh Mela signifies the SEARCH for that Spirit, which is within our body, Kumbha, and the Spirit, that is outside our body, which sustains this creation. This search is for everyone; so, all of us should seek this God, first and foremost.

Always Think High

A man saw a poor boy looking at his beautiful and expensive car; he offered the boy a drive….
After the drive, the boy said: "Your car is so marvellous. It might be expensive. How much does it cost?"

The boy heaved a sigh.
Man: "I know what you are thinking. You also want to have a brother like him."
Boy: ***"No, I want to be a brother like him."***

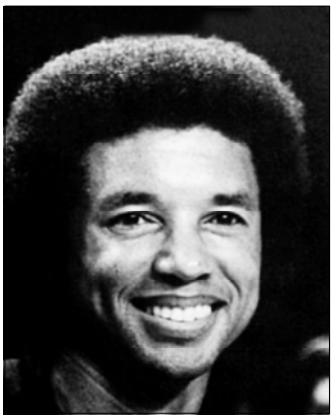
One Paragraph That Explains Life!

Arthur Ashe, the legendary Wimbledon player, was dying of AIDS, which he got due to infected blood he received, during a heart surgery, in 1983. From the world over, he received letters from his fans, one of which conveyed: "Why does GOD have to select you for such a bad disease"?



To this Arthur Ashe replied:
"The world over 50 million children start playing tennis,
5 million learn to play tennis,
500,000 learn professional tennis,
50,000 come to the circuit,
5000 reach the Grand Slam,
50 reach Wimbledon,
4 to the semi finals,
2 to the finals,
When I was holding the Cup, I never asked GOD "why me?"
And today, in pain, I should not be asking GOD "Why me?"
Happiness keeps you sweet,
Trials keep you strong,
Sorrow keeps you human."

Let's cherish what we have and enjoy the life as it comes - let's be more humane

PRE - 2006 CENTRAL GOVT. PENSIONERS GET JUSTICE 7 YEARS LATE

At last, pre-2006 pensioners have been given their rightful pension (though usurping the dues of about seven years), which had been denied by the Govt. of India, because of an unauthorized distortion in the implementation orders, subsequent to the acceptance of the recommendations of the 6th Central Pay Commission. After so many judgements, delivered by various Central Administrative Tribunals (CATs) and AFTs, for re-fixing the pension, linking it with the post, from which the pensioner had retired, the Govt. of India has finally, vide its OM dated 28.1.2013, issued orders for the revision of pension, as per the accepted recommendations of the Pay Commission. The revised pension, however, has been made effective from an arbitrary date of 24-9 2012, instead of the due date of 1-1-2006. The arrears due from 1-1-2006 (the date from which the revised pay and pension are applicable to all, as per the Pay Commission's recommendations) have been unjustifiably denied.

The unanimous judgement, delivered by the Principal Bench of CAT, New Delhi, on the 1st November, 2011, directing the Govt. "to re-fix the pension of all pre-2006 retirees w.e.f. 1.1.2006, based on the Resolution dated 29.08.2008 and pay the arrears thereof within a period of 3 months" has been challenged by the UOI in the Delhi High Court. The Association of S 29 SAG Pensioners will do its level best to get the UOI petition dismissed and the verdict of CAT, New Delhi, implemented.

A Table showing the revised basic pension from 24-9-2012 for all the scales (from S 4 to S 29 grouped in 4 Pay Bands) is published below.

HINDU RITUALS AND ROUTINES *SERIES – 3*
Why Do We Prostrate Before Parents and Elders?

Indians prostrate before their parents, elders, teachers and noble souls by touching their feet. The elder in turn blesses them by placing his or her hand on or over their heads. Prostration is done daily, when we meet elders and, particularly, on important occasions like the beginning of a new task, birthdays, festivals etc. In certain traditional circles, prostration is accompanied by ***Abhivaadana,*** which serves to introduce oneself, announce one's family and social stature.

Man stands on his feet. Touching the feet in prostration is a sign of respect for the age, maturity, nobility and divinity that our elders personify. It symbolizes our recognition of their selfless love for us and the sacrifices they have done for our welfare. It is a way of humbly acknowledging the greatness of another. This tradition reflects the strong family ties, which have been one of India's enduring strengths.

The good wishes ***(Sankalpa)*** and blessings ***(Aashirvaada***) of elders are highly valued in India. We prostrate to seek them. Good thoughts create positive vibrations. Good wishes springing from a heart full of love, divinity and nobility have a tremendous strength. When we prostrate with humility and respect, we invoke the good wishes and blessings of elders, which flow in the form of positive energy to envelop us. This is why the posture assumed, whether standing or prone, enables the entire body to receive the energy thus received.

The different forms of showing respect are:

Pratuthana**:** Rising to welcome a person
Namaskaara**:** Paying homage in the form of namaste
Upasangrahan**:** Touching the feet of elders or teachers.
Shaashtaanga**:** Prostrating fully with the feet, knees, stomach, chest, forehead and arms touching the ground in front of the elder.
Pratyabivaadana**:** Returning a greeting

Rules are prescribed in our scriptures as to who should prostrate before whom**.** Wealth, family name, age, moral strength and spiritual knowledge, in ascending order of importance, qualified the men to receive respect. That is why a king, though the ruler of the land, would prostrate before the spiritual master. Epics, like the Ramayana and Mahabharata, have many stories highlighting this aspect.
