## LETTERS

Dear GMS Managing Committee,

I am a proud member of GMS living in USA.

Below is my question & suggestion. Every month I read about engagements, weddings & anniversaries in Mohyal Mitter and that is wonderful. As we all know, dowry or any other financial demand is a curse in our Indian society.

So, I am requesting that GMS should adopt a resolution that along with each announcement of engagements and weddings it should be mandated to report if any dowry or other demand was either asked, accepted or parties refuse to answer. All Mohyals present at the meeting take a pledge against dowry. Marriages should never be based on what girl's parent give. but it should be two families joining together and wishing well to couples.

I look forward to hearing back from you all.

Thanks, Jai Mohyal

The Hon'able President of GMS,  
Mohyal Foundation, Delhi

Respected Sir,

Under your dynamic and strong leadership and your strong team, today Mohyal Baradri has reached to the its apex and will rise more in all fields. Sir, I had gone through March,18 MM and read each word. I was so much impressed to read the minutes of Mohyal Sabha Barara para 2, which enthused and compelled me to write this mail.

Mohyal Sabha has humbly requested the GMS that our well settled eminent organisations in all fields in India and abroad send their vacancies to GMS and GMS spare one page with the heading of employment in MM so that our youngs can avail of this opportunity as you know the unemployment is the vital cause in our county and if our young meets their requirements and get employment it will be one more added achievement of GMS and Baradary youngs will get employment. I hope this issue will be placed in your ensuing meeting for consideration.

With Kind Regards
