NOIDA

Date 7 May 2023
Venue AVCC
Attendance 20
In Chair Lt Gen R K Mehta, PVSM, AVSM, YSM, VSM (Retd), President

Chairman welcomed all present and wished them well. We had a relatively cool month of April. Temperatures in May are going to rise to 40 C and we should take preventive health measures. Mohyal prayer was led by Smt Sunita Chibber. Salient points of Mohyal Mitter were conveyed. Attention of members was drawn to the photo of Shri and Smt A S Datta on page two as also photos of our Apr meeting on pages 12 and 36. Any member wishing to sponsor an eligible youth for the camp on 26 and 27 May should apply in time.

Gen Datta and Mrs Simi Datta then spoke about the increasing problem of infertility in women and how they took to resolving it at the highest level in the Army. It all started with eight wives of troops approaching Mrs Datta, sharing their trauma and the attendant social pressures within their families and in society. Deeply moved by their accounts Mrs Datta told Gen Datta that the larger issue has to be resolved in a mission mode. Gen Datta with zeal moved the wheels up the chain resulting in a policy formulation for the good of such cases in the Army. Today, the policy is effectively being implemented bringing joy to many a mother. All present applauded Gen and Mrs Datta for the success of this meaningful mission.

Gen Datta then spoke about the huge compensation received by the family of a Battle or physical casualty and the need to help the recipients in managing such large amounts.

Then we had Shri Rajan Bakshi son of late Col (Dr) MM Bakshi and Mrs Bakshi talk about care for the elderly parents. Incidentally Col Bakshi a recipient of Mohyal Gaurav Samman had passed away just 40 days before his hundredth birthday falling on 01 Jun. Ranjan ji highlighted several important points in caring for the elders especially those whose mobility is restricted. The first important thing is to uphold their self respect and honour. Provide them with necessary support at home viz, para medic, physio and attendant. This is not to take away the importance and presence of family members. Always build on their hope, interests and good positive friends. Listen to the elder with respect, full attention and empathy. Encourage them in their interest. Eg, Col Bakshi post retirement took up homeopathy and provided free consultation and medicines. Feedback from the elder with reference to the work of support staff remains important for necessary corrections. Ranjan Bakshi remains a living example of a dedicated son and a rare humane person who set aside his personal interests for fulfilling his duties to his Dear parents for over 25 years. His strength of character, honesty of purpose and love for his parents is most praiseworthy and commendable and an example for us all.
