## HAPPY NEW YEAR – 2022

My Dear Mohyal Brothers and Sisters,  
Jai Mohyal!

As we all know, 2021 has been hard for most of the people all over the world and this pandemic has cost a lot of human lives. People have lost their near and dear ones to Covid and many have lost their jobs, and business has also been affected badly due to lockdown, but still amidst all this gory time, humanity and kindness has prevailed. A lot of people and a number of NGOs and other institutions have come forward to help people in many different ways.

As we enter 2022, I appeal to all my community members to come forward and make 2022 as one of the most meaningful years in their life. Many of our community's children are underprivileged and they are finding it hard to continue with their education because their means of survival has been hit hard due to this pandemic. In such a crisis, let's all pledge to adopt atleast one such child for at least a year if not for lifetime and be their mentor. Also, our community members who cannot help a needy child financially but are educated and proficient in any subject, can volunteer to be their mentor and guide such children towards a bright future. Hope that my fellow community members will willingly take this initiative in a good spirit. You can contact the GMS giving your consent regarding the sponsorship of such underprivileged children. Also I appeal to all the Presidents and Secretaries of local Mohyal Sabhas to share with us the list of such children who are deprived of basic education. You can bring this list to our notice and we will try our level best to find a sponsor and a mentor for such children. Kindly note that education fees can be directly deposited to school's account for the child you wish to sponsor. Manisha Dutta, MA, M Ed, LLB, Secretary Istri Wing, Vice Principal Delhi Govt School, mob 9711772342, email manishaduttasri@gmail.com, will follow up on this process and help you with any assistance if needed. Local sabhas are requested to adopt atleast one/two widows for monthly pension and one/two children for imparting education and also act as their mentors.

Also in the following year, let's all make a transition from print media to digital media. Many of our community members have an access to the online version of our monthly magazine "Mohyal Mitter" so it's my humble request to such members to kindly withdraw their subscription as they can access the online version. Also those members who need only one printed version should get the subscription for extra copies cancelled. This will not only cut down the extra expenses of printing the magazine but also help in reducing the carbon footprint on Mother Earth.

We as a concerned community can act responsibly and be a boon to the mankind by making informed choices and decisions. I have full faith in my community members.

Wishing you all a very Happy and Prosperous New Year. May this year be full of adventure and good fortune.

Jai Mohyal

(Vinod Kumar Dutt)

#### OLD WAYS DON'T OPEN NEW DOORS

Empowering its women and making them self-reliant ought to be the vision of every ideal society. General Mohyal Sabha, not being an exception has been persistently working to make the females of our community self sufficient ever since the establishment of the organization at Lahore in the year 1891.

Initially, our ancestors contributed an amount of Rs.5 to the widows for their livelihood which was considered a decent amount for the survival of a family back then. Post-Independence, situations changed drastically over time, but the noble deeds continued. Under the able presidentship of Mohyal Ratna Rzd. B.D. Bali Ji, the pensions were reinstated and currently nearly 500 Mohyal ladies are availing the benefit of the Widow Pension scheme.

On August 30<sup>th</sup>, the results of the GMS elections were announced and Shri Vinod Dutt Ji became the President of our apex body, unopposed. An industrialist par-excellence, a philanthropist, a visionary leader and the most humble person got the reins in his control. He felt that at present, any amount given as help would not be sufficient for a comfortable and secure life. According to him the growth of ladies is attainable only if they become financially and socially stable. To achieve this the following points can be implemented:

- GMS may provide support to ladies for the accomplishment of their educational or vocational training.
- The ladies must be encouraged to get suitable jobs to make them self-sufficient and independent.
- They can be encouraged and supported both monetarily and socially to become entrepreneurs. The Local Sabhas and distinguished Mohyals of the area can use their contacts and play a vital role in this.
- The matrimonial cell can help them find a suitable match and settle down.

Lastly, for the ladies, be independent on your own terms, achieve it by your own rules, and build a life you are proud to live, while GMS remains pledged to strengthen the females and stand by them to the best of its capacity.

# ANNUAL GENERAL BODY MEETING – 19 DECEMBER 2021

## REPORT BY SECRETARY GENERAL GMS

My Dear Brothers and Sisters,

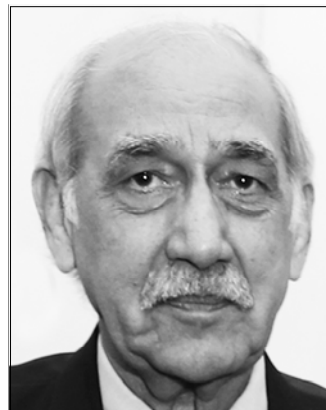

It gives me great pleasure to extend a very warm welcome to each one of you, and it is a matter of great honour for me, being part of this August gathering. We look forward to having a healthy interaction, as one joint extended family. We should continue, to take steps for the welfare, progress and prosperity of our Community and we should endeavor to seek solutions to our problems. I will now update you on the events which have taken place, since the last AGM, which was held at Mohyal Foundation New Delhi on 9 Feb 2020, details of which have been published in Mohyal Mitter March 2020 issue

Covid 19 pandemic struck the world in Dec 2019, which has been a harrowing experience for mankind. We were also adversely affected due to this deadly virus. Nationwide lockdown was announced wef 22 March 2020, initially for 21 days, to check the spread of the novel corona virus. Days ran into weeks and weeks into months. It resulted in problems like unemployment, fear of contracting corona virus, lack of social contact, inability to travel and lifestyle changes. Life literally came to a standstill and it has been the most humbling time of our lives. We have realized that our earthly possessions are of no use and have learnt the dignity of labour. Hand wash, social distancing and wearing a mask is a must now. 'Dekh tere sansar ki halat kya hogi Bhagwan, kitna badal gaya Insaan'.

As a precautionary measure against the spread of coronavirus, our Institutions had to be closed and were managed with minimum staff. The needy mohyal families were helped by the local Sabhas by providing rations etc and two of our Philanthropists, Shri Vinod Kumar Dutt and Shri P K Dutta went out of their way, to help the needy in all possible ways.

Education is very essential to make progress and to take the Community forward. GMS is committed to ensure that no Mohyal child is deprived of education for want of funds. Our Schools at Dehradun and Haridwar are running smoothly. Classes are being conducted mostly online. Major K R Bali Mohyal Public School at Dehradun, started in 2007, upto class 8, has 190/ 250 students. It has recently started running in two shifts, Sr classes (5<sup>th</sup> to 8<sup>th</sup>) from 0900 hrs to 1130 hrs and Jr classes (Nursery to 4<sup>th</sup>) from 1130 hrs to 1430 hrs. Dr Avdesh Mehta Dutt, grandson of late Major K R Bali and late Smt Kaushal Bali (donors of this property) and his mother Smt Shanta Mehta, are here with us today. Mohyal Public School at Haridwar, started in 2012, upto class 5 has 73 students. Classes are held online from 0930 hrs to 1230 hrs. The activities of the School are regularly being printed in Mohyal Mitter. Financial help is being given for education to 62 needy students ie Rs 250/- pm to Rs 3000/- pm, depending on the class in which the child is studying. The financial aid is sent twice a year ie from Apr to Sep and from Oct to Mar.

The world is moving at a very fast pace, due to rapid development of technology, which is easily available to all. Children have to face tough competition, initially to get admission in colleges of their choice and later for suitable job placements. Our children have therefore to be motivated to excel academically, in sports, as well as in cultural activities. Pratibhashalee Mohyal Vidyarthi Samman function

is organized by GMS every year, where students scoring 85% and above marks, are honoured. A declamation contest is also held during the awards function, to encourage the students in public speaking. Unfortunately, due to the Covid pandemic, we could not hold the function last year. Pratibhashalee Mohyal Vidyarthi Samman, for the academic year 2020 and 2021, will now be held at Ambala, kind courtesy MS Ambala City, on 13 Feb 2022. It has been heartening to see our youth, being actively involved in all the activities of their respective Sabhas. However, the planned sports activities could not be held due to the pandemic. We plan to organize sports events for the youth now, since that is a good platform to encourage interaction between the local Sabhas.

GMS is committed to help the needy widows and the underprivileged members of the community. Financial assistance of Rs 1000/- pm has been given to 430 widows and 89 underprivileged persons. Financial assistance is being sent directly to the bank accounts of the individuals. The unfortunate young widows, will be helped to stand on their feet, by supporting them to acquire skills / professional training to become financially independent. Financial assistance for medical treatment, is also being given to the needy mohyals on, need to need basis.

Particulars of boys and girls for matrimonial alliance are being regularly published in the Mohyal Mitter, in order to encourage and facilitate marriages within the community, which has given us good results. With the efforts of the parents and matrimonial websites, finding mohyal spouses for their children has been possible and is praise worthy. ## LOHRI CELEBRATIONS

Lohri was overwhelmingly celebrated by Mohyals staying in Hiranandani Gardens joined by other residents. The festival was celebrated by lighting

## TRAIN YOUNG LADS

There is a crying need to develop a supplementary national grid of providing skill training to the youth. It is necessary for employment generation

for the youth of this 135 crore strong country. The steps taken by the Government are falling short of the desired results and more often than not, they are laced with corruption, redtapism, unnecessary paper work and delays. Hence, NGOs (Non Government Organisations) should come together, join hands and be supplementary and complimentary to each other in making our youth

find a job or generate a job. Retired defence officers can play a big role in this endeavour and therefore they should take a lead. Sphere of actions may be as under:

Coaching youngsters for joining competitions to join armed forces, paramilitary forces and police

Organising games and sports in rural areas to develop leadership skills amongst the youths

Recouping, regrouping and restaffing the Primary Health Centers which are generally available in every village but most of them are defunct; they can be the best source for training in first aid.

Industrial establishments and Trading enterprises in the nearby locality should be asked point blank that they have contributed to the pollution in the area and hence a percentage of their profits should be spent here out of their corporate social responsibility to ameliorate the sufferings of the common men.

Organising short tours to different areas of the youth in smaller groups because we learn more from each other rather than from books.

An Elementary Sainik Training should be made compulsory at High School level to develop a young student in to a good citizen and as well as a self defender like a Sainik.

To achieve the character envisioned in every Indian citizen, Rashtriya Sainik Sanstha plans to provide Elementary Sainik Training at High School level through well designed programs executed by tapping the resource pool of over 25 lakh retired sainiks, large number of patriotic civilians, and expert organizations in different fields.

Government administrators are fallible even if they possess adequate skills. Chandragupt was a great King but fallible and needed Chanakya to guide him. Public have to play the role of Chanakya to guide the administration. This, it can do only when they are well informed about their rights, responsibilities, and become equal a true son-of-the-soil in nation building. Elementary Sainik Training, we are sure, will become a platform for National Integration and Character Building. A suggested syllabus is as under.

**Drill and Discipline** – Rationale of Drill, Advance, Rest, Left, Right, Attention, Stand at Ease, Right Dress and Salute while marching.

## COMMERCIAL AWARENESS A MUST HAVE SKILL FOR YOUNG LAWYERS

As a young aspirant attorney, myself, I feel that Commercial Awareness is of the utmost importance for a bright career in commercial law. Through this article, I would like to shed light on commercial awareness and how to master this skill to boost your career. I would like to send a message to my fellow Mohyal Brothers and Sisters wanting to pursue law as a career that apart from reading law books and school curriculum also focus on world affairs and industry news.

Commercial Awareness; is simply defined as being aware of how the business world operates. To have commercial awareness skills, you need to understand how and why businesses behave in the way they do daily. One would say that a lawyer with the aforementioned skills is the one who understands a particular line of business in which their client is engaged. For a practising attorney or an aspiring one commercial awareness is a very important skill in the modern business world. Employers do look for a lawyer who is among others, commercially aware, thus the one who looks at things from a commercial perspective rather than a purely legal one.

Practising commercial law, unsurprisingly, requires good commercial awareness. You are expected to:

- Have a firm grasp of your client's business
- Have a wide understanding of the industry in which your client operates
- Understand how your client interacts and performs compared with direct competitors
- Have a good understanding of what leads to the success of a client's business in light of the challenges posed by politics and the world economy

As part of your legal service, your clients will expect you to understand and take into account wider business considerations when working with them. Having commercial awareness allows commercial law solicitors to demonstrate that they are aware of the latest business developments, their impact on the legal industry and the possible opportunities that they could create for a law firm. To impress potential employers, you must invest in developing commercial awareness by showing an active interest in business affairs and, more specifically, in the business interests of the legal industry and the law firm that you are applying to join.

The role of a solicitor is not only a technician of the law but also a sound business adviser. This helps explain why firms are so keen for you budding lawyers to be commercially aware and not just a high achieving student. A lawyer must assist clients to achieve their business aims. As commercial awareness also involves being up to speed with the political, economic and social frameworks, firms only offer positions to those who can demonstrate this. Firms want to know you will keep up with being commercially aware after your training, so if you start it now and make a habit of remaining business savvy, this will benefit your career prospects.

Now the questions arise exactly how to be commercially aware? well, It must be noted that commercial awareness isn't something that we are taught in law schools or is a part of any curriculum. Commercial Awareness is

something that has to be nurtured and/or developed. You can develop commercial awareness by reading business newspapers or magazines. Watch or listen to the news channels on specific businesses or industries, following up on the success of many large organisations. The other most important way of developing commercial awareness skills is to volunteer or work in a specific area of interest as a legal officer or intern so that you can learn more about that particular industry. Internships teach you a plethora of things where you can go from having zero knowledge to becoming an expert in a particular field. Aspiring attorneys can also follow up on social media handles of leading transactional law firms where they update their activities and deals they assist or guide clients and sometimes complement with the news from news channels and papers on how the transaction was reached.

The main areas to focus thus can be broadly classified as follows:

- **How a client's business works** – How does business function internally? What is the businesses' ethos? What are their goals?
- **Who its competitors are** – How does a client's business interact with competitors? How does it perform compared to competitors? What does the client's business have that makes it more or less successful than others in the same industry? What are the competitors doing and why are they doing it? How can the client remain competitive?
- **What external factors the business is influenced by** – How can the business remain successful in light of political, legal, social, and economic changes? Will it be affected by any of these and, if so, how can it work to mitigate or harness any changes?
- **The industry the client operates in** – Are there any rules or customs specific to this industry that need to be considered?
- **The future** – What do you think will happen in the future? Can market trends be predicted? How will this affect the client?

By understanding these areas, lawyers will be better able to provide advice that is not only legally correct but is also appropriate for the client's business, its aims and values. This kind of advice is important for firms because it means that their clients will have successful businesses and will keep coming back to that firm for advice. This is important because a law firm is itself a business at its core. Firms also need to retain clients and generate revenue. As an employee, you need to be able to add value to the business of the law firm in this way. Being commercially aware demonstrates that graduates, who may not have loads of industry experience, are ready and able to work in a business environment. Thus, firms look for these traits in candidates so that they know they are hiring someone right for the role.

To show that you would be a good lawyer and an asset to the firm, you need to be able to show that you are capable of thinking commercially and able to provide advice that will keep clients coming back for more.

## Shradhanjali Samagam – Bhai Parmanand Chhibber and CDS Shri Bipin Rawat by Mohyal Sabha Jalandhar

Mohyal Sabha Jalandhar organised a Samaroh on 12 Dec 2021 at their Mohyal Bhawan, to pay tributes to martyrs

Bhai Parmanand Chhibber and our Chief of Defence Staff, General Bipin Rawat. Managing Committee Members attended the Samagam and President NLVaid chaired the Samaroh. Floral tributes were paid to the great martyrs by Office Bearers and Committee Members of Sabha.

Shri Ashok Dutta, Secretary of the Sabha, while speaking at the occasion said that Bhai Parmanand was a great revolutionary of freedom struggle. He was a preacher of Arya Samaj and Vedic Dharma and a Historian also. Revolutionaries like Sardar Bhagat Singh, Sukhdev, Pandit Ram Prasad Bismil, derived inspiration from Bhai Ji. He was disciple of Swami Dayanand Saraswati. Bhai Ji was born on 4 November 1876 in the lineage of Bhai Mati Dass at village Karijala in Pakistan. Due to his revolutionary activities, the British Govt awarded him death sentence. There was big opposition to this in the country as a result the British Govt converted it to life imprisonment at Kala Pani where he was tortured a lot. Due to efforts of Mahatma Gandhi he was pardoned and during last years of his life Bhai Ji settled at Jalandhar where he breathed his last on 8<sup>th</sup> of December 1947.

Shri G.K. Bali, Sr Vice President of the Sabha, while offering tributes at the occasion said that it was a sheer coincidence that General Bipin Rawat, his wife Madhulika Rawat and eleven other army men of his team were martyred in a Helicopter crash in Nilgiri Hills, Coonoor Tamil Nadu on 8 Dec. Shri Rawat originally from Dehradun, joined army as Second Lieutenant. He became Brigadier in 2007 and rose to the rank of Army Chief in 2017. The post Chief of Defence Staff was planned by the Indian Govt some 20 years back but it came into being only in the tenure of the present Modi Govt. Shri Rawat being senior most of all the three Defence chiefs was designated as Chief of Defence Staff in 2019. The purpose of this post was a better coordination between the three Defence Arms namely Army, Air Force and Navy. Credit of modernisation of forces and surgical strikes like Balakot goes to General Rawat. Departure of General Rawat was a big loss to the

Nation as countries like China and Pakistan and certain enemies of nation within the country were afraid of General Rawat. On their martyrdom the entire Nation was in tears and specially on the day after this mishap the city of Coonoor was totally shut down as a mark of respect to the departed souls. On the day of cremation of Smt & Shri Rawat, two strong Veer Vadhus, Smt Lidder the wife of late Defence Advisor to the CDS and Smt Harjinder Kaur wife of one of the late Group Captains, displayed their strength by attending the cremation ceremony of Smt & Shri Rawat, despite their own big loss. Daughters of Shri Rawat performed their last rites. Big gesture that Smt Kaur resolved to act as their mother.

Shri G.K. Bali requested all the Managing Committee members to stand up at their seats to observe two minutes silence for the peace of departed souls. The members prayed that God may take all the departed souls straight into his Arena and give courage to the bereaved families and the Nation as well to bear this irreparable loss.

The Samaroh came to a finish with light snacks.

## Captain Nardev Kumar Mehta (Chhibber) *Once a soldier, always a soldier!*

Captain Nardev Kumar Mehta (Chhibber), was born on 24 April 1935 in Rawalpindi, to illustrious parents, late Shri

Ram Lal Mehta and late Smt Lal Dehi Mehta. A single brother to six sisters – late Smt Bimla Dutta, Smt Kamala Dutta, late Smt Ramkali Bakshi, late Smt Pushpa Dutta, Smt Shanti Bali and Smt Santosh Bakshi – Veer as he was dotingly called by his siblings, has always been the pillar of strength and epitome of pride and honour in the family.

As a young immigrant boy coming to a new India, he was keen to pursue a career befitting his abilities and always dreamt of becoming a uniformed officer. To this end he pursued graduation from Allahabad University learning English literature from stalwart educators and poets like Dr Harivansh Rai Bachan and Shri Firaq Gorakhpuri. His burning desire became a reality in 1962 when he passed out from Indian Military Academy Dehradun, to become a Second Lieutenant. He saw action in the 1965 war against Pakistan in the Khemkaran Sector winning accolades for his role. Even decades after his release from the services, *Captain Saab* proudly remembered his days in the Academy and all the training provided to him to survive, thrive and grow in life. 1962 was a monumental year of sorts, for *Mehta Saab* also tied the knot with Late Smt. Sudesh Devi Mehta, daughter of renowned parents late Sri Pishori Lal Mehta (Lau) and late Smt Gaurja Devi Mehta of Pind Dadan Khan and Nagpur. Through his principled behavior and genuine concern for their wellbeing, *Mehta Saab* became one with his four brothers-in-law – late Shri Kundan Lal Mehta, Shri Madan Lal Mehta, late Shri Kewal Kishan Mehta and Shri Vijay Kumar Mehta. *Nardev Uncle/ Mamaji* truly inspired and motivated the next generation of the family with his values and integrity to help them build illustrious careers and grow in any field of their choice – from doctors to scientists and officers of the armed forces.

After his release from the Army, *Captain Saab* settled in Mumbai working with Vazir Glass, Mazgaon Docks and Central Bank of India in various administrative and public relations roles. However, his heart always desired to give back to the Indian defense institutions that had taught him so much. In 1989 he produced and directed a Doordarshan documentary titled *Ranbhoomi Se Karmabhoomi* with a desire to motivate youth to join the defense services. His life partner, late Smt Sudesh Devi Mehta, was also his creative partner, being the writer of the show. Together they also made another documentary titled *Fauji Ke Rang* depicting emotions and colours of a soldier's life through popular Hindi film songs, again with the intention to motivate youth to join the defense services. For this effort,

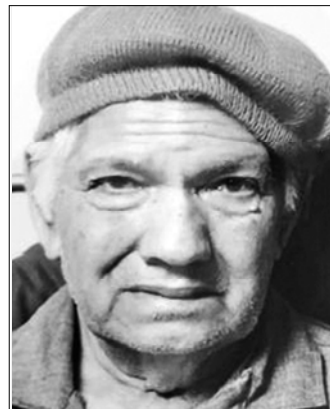

*Captain Mehta* was presented with various awards like Maharashtra Governor's award, 1995, Maharashtra Chief Minister's Special Award 1996 and the Salute Mumbai Award 2005.

Besides dedicating his life to the betterment of Serving Troops and Ex-Servicemen alike, *Captain Mehta* was a devout husband and a strict, disciplinarian but loving father to his children Sneha, Geeta and Dharmendra. His sons-in-law Kamal Dutta and Vikas Lakhwara and daughter-in-law, Shveta Mehta (Datta) always gave him immense pride through their values and fortitude. He loved spending time with his grandchildren Reeshab Dutta, Reeya Dutta, Viddhi Lakhwara and Vaansh Lakhwara often telling them tales of valour and motivating them to keep moving forward in life.

On 24<sup>th</sup> December 2021, time played its merciless role and *Captain Saab* departed for his heavenly abode after a brief bout of pneumonia in Dubai where he spent his last days with his son Dharmendra and daughter-in-law Shveta. Even in his last days Captain Nardev Kumar Mehta demonstrated his love and dedication to the services and was thankful for the training and values he imbibed through the noblest, sacred institution–The Indian Army. As a tribute to His life and to celebrate his achievements, the family, 1311, Sobha Dew flower, 4th Cross, Saraki Main Road, JP Nagar Phase 1, Bengaluru, mob 9740243333, donated Rs.11,000/- to GMS, towards Langar Fund of Mohyal Ashram Haridwar. ## झिड़ी देवस्थान-बावा जितो और बुआ कौड़ी का मंदिर

जम्मू ऋषियों, मुनियों, पीरों—फकीरों की धरती है। इसी पावन धरा पर विभिन्न स्थानों पर देवी—देवता, लोक देवताओं की याद में मेले लगते हैं जो आस्था का नयी परिभाषा देते हैं। जम्मू से 15–20 कि. मी. की दूरी पर झिड़ी है जहाँ लोकदेवता बावा जितमल और बुआ कौड़ी (गौरी) का कार्तिक पूर्णिमा पर तीन दिन तक भक्तों की आस्था का सैलाब परवान पर होता है।

इनकी कथा का आरंभ गुरु मछेंद्रनाथ जो ब्रह्मा जी के वीर्य जो मछली ने गटक लिया था के उदर से उत्पन्न हुए। वे माता हिंगलाज और शिव के भक्त थे। इनके परम शिष्य गुरु गोरखनाथ जी हुए। इन्हें हरिनारायण का अवतार माना जाता है। इन्होंने ने ही गोरखनाथ पंथ आरंभ किया। यह राजा मंडलिक के मंत्रियों के सलाहकार भी रहे। इसके बाद श्री कालीवीर का जिक्र आता है। इन्हें शेषनाथ का अवतार माना जाता है। जम्मू में कुलदेवता को बावा भी कहा जाता है। जम्मू कटुआ, डोडा, राजौरी आदि जिलों में श्री कालीवीर जी के मंदिर हैं। इसी क्रम में 1478 संवत कार्तिक महीना कृष्ण पक्ष की अष्टमी तिथि में वृश्चिक लग्न व पुष्य नक्षत्र के दिन अगार गाँव के रूपो ब्राह्मण व सत्यवती पत्नी के घर जितमल का जन्म हुआ। यह बालक चंचल, बुद्धिमान और धार्मिक प्रवृत्ति का था। गाँव वाले उसे मुनि कहते थे। वे अगार से रोज माता वैष्णवों देवी के मंदिर में माथा टेकने जाते थे। इन्होंने चौबीस साल कठोर तप किया। तब माता वैष्णवों ने उन्हें वरदान दिया कि वो उनके घर में जन्म लेंगी और पाँच वर्षों तक साथ रहेंगी। संवत 1507 में बुआ कौड़ी (गौरी) का जन्म हुआ। पुत्री जन्म के समय पत्नी माया देवी का निधन हो गया। कुछ साल गौरी बीमार रही। उसकी चाची जोंजा भी उन्हें विभिन्न तरीके से परेशान करती थी। दुखी होकर जितमल गाँव कानाचक्क के इलाके में पिंजौड़ क्षेत्र में अपने दोस्त रूलो लोहार के पास गए। रूलो लोहार ने जागीरदार बीर सिंह मेहता के साथ बात करके जितमल के लिए किसानों के लिए जमीन चाही। बीर सिंह राजा अजायबदेव का धूर्त वजीर था। उसने बावा जितमल को बंजर जमीन इस शर्त पर दी कि जितो जागीरदार को अपनी खेती की पैदावर का एक चौथाई हिस्सा देगा। बावा जितो धर्मपरायण और नेकदिल इंसान था। माता वैष्णवों का नाम लेकर बीज बोये और कड़ी कर खेत की देखभाल की। अच्छी फसल देखकर जागीरदार का मन बेईमान हो गया। उसने आधी फसल की माँग की। लेकिन वचन और कर्म के सच्चे जितमल ने इंकार किया। जिस कारण जागीरदार ने करिंदों को संपूर्ण अनाज उठाने का आदेश दिया। बावा ने जागीरदार को समझाया कि पाप कमाई फलती नहीं है पर घमंडी बीर सिंह बाहुबल से गरीब ब्राह्मण किसान को नीचा दिखाना चाहता था। दोनों के बीच वाक्युद्ध हुआ और करिंदों ने बावा जितो को चोटिल कर दिया। इससे जितमल ने बीर सिंह को रूखी कनक ले जाने नहीं देगा कह कर कनक के ढेर पर बैठ कर अपने सीने में कटार घोंप दी। बावा जितमल ने अन्याय के खिलाफ अपनी जान कुर्बान कर दी। ऐसा कहते हैं कि उसी समय भयानक तूफान व वर्षा हुई। जिससे वह अनाज बिखर गया और सारी कनक खेत, नालों, नदियों में बावा के खून से रची हुई कई स्थानों पर पहुँची। जिस—जिस ने भी उस कनक के दाने से उगे गेहूँ खाया, उस परिवार के लोग आज भी बावा जितो के स्थान पर माथा टेकने आते हैं। उनकी बेटी बुआ

दाती ने पिता की चिता को अग्नि दी और खुद भी उसमें भस्म हो गयी। यह घटना संवत 1515 की है। तब से ही जितमल बावा जितो और सती बुआ दाती कहलाने लगे। हर साल कार्तिक पूर्णिमा को शहीद अर्चना होती है। यहाँ पूर्वजों की याद में समाधियाँ भी बनी हुई हैं। इस क्षेत्र को बावेदा झाड़ भी कहते हैं लोकदेवता बावा जितो पुण्यात्मा का जीवन चरित्र जम्मू के इतिहासकारों ने भी लिखा है।

बुआ बावे दी अर्चना पूजा की विशेष विधि है। यहाँ बावा जितों के भक्त जो गुरु पद पा लेते थे। उनके अपने चेले और डेरे होते थे। झिड़ी में तीन दिन का विशेष पूजन होता है। चौदही पूनम अर्थात् पूर्णिमा के एक दिन पूर्व डेरों के गुरु और चेले दोपहर बाद झिड़ी मंदिर के पास के बाग में इकट्ठा होकर सबसे पहले गुरु डोगरी पौशाक (सफेद रंग) की पहनते हैं। सिर पर सफेद पगड़ी हाथ में लोहे का झूंडा लेते थे। उसके बाद चेले भी पौशाक पहन कर ढोल नगाड़ो के साथ कारकें (बावा जितों) के जीवन चरित्र और चमत्कारों को एक विशेष विधि से गाते हुए कुँएँ पर पहुँचते हैं। वहाँ पर पूजन कर फिर चौकी होती है। दूसरे दिन प्रातःकाल पुनः गुरु, चेले, भक्तगण कारकें गाते हुए तालाब पर जाते हैं। इस तालाब का विशेष महत्व है। यहाँ स्नान करने से मानसिक और शारिरिक व्याधियाँ दूर होती हैं। इसकी तलहटी में जो काली मिट्टी है उसे शक्कर कहा जाता है। यह अनगिनत गुणों से युक्त है। यहाँ स्नान पूजन के बाद डेरे पर खिचड़ी का लंगर लगता है। सबसे पहले कन्यापूजन फिर पंडितों को भोजन और अंत में आमजन प्रसाद ग्रहण करते हैं। संध्या के समय पूरी झिड़ी और मंदिर परिसर मोमबती और दीपकों की लौ से जगमगा उठता है।

मंदिर में भक्त जन बुआ दाती के लिए खिलौने विशेषकर गुड़िया, गेंद आदि भेंट स्वरूप लाते हैं। लाल चुन्नी भी चढ़ाई जाती है। प्रसाद में खिचड़ी दी जाती है। बुआ बावा और बुआ कौड़ी का यह मंदिर कार्तिक माह की पूनम को भक्ति का महा सागर बन जाता है। इस मंदिर में जो गोसाई पूजन करते हैं। वे पीढ़ी दर पीढ़ी सेवा में रहते हैं। वर्तमान में गोसाई हरदत्त जी सेवारत हैं। उसी प्रकार हर डेरे के गुरु पूज्यनीय होते हैं। सबसे पुराना डेरा 400 साल पुराना स्वर्गीय बाबा ताराचंद वैद (जलालपुर) का है। झिड़ी में सबसे बड़ी गद्दी यही मानी जाती है। वर्तमान में इनके पौत्र बाबा बलराम वैद निवासी दिल्ली बावा जितो की सेवा में अपने वंशजों की कार निभा रहे हैं। झिड़ी मंदिर में कारकें गाने की विशेष रीति है। कारकें जोगी गाते हैं। और यह भी पीढ़ी दर पीढ़ी यही कार्य करते हैं।

बावा जितो का जीवन एक सशक्त चरित्र है। एक गरीब ब्राह्मण जो माँग कर खाना या दान द्वारा जीवनयापन नहीं करना चाहता है। जमींदार के विरुद्ध आवाज उठा कर श्रम और दृढ़ता का परिचय देता है। बावा जितो माँ वैष्णवों के भक्त थे अपनी भक्ति से, अपनी ईमानदारी से समाज को राह दिखा गए। यहाँ दिल्ली, पंजाब, मध्यप्रदेश, हिमाचल प्रदेश से भक्तजन आकर अपनी मनोकामनाओं को पूर्ण होने का आशीर्वाद पाते हैं।

बुआ गायत्री मंत्र...ॐ रूपो पौत्री विदमहे, जितमलाय च धीमहि तन्नो दाती प्रचोदयात् ।।

बाबा गायत्री मंत्र...ॐ जाजां पुत्राम विदमहे, रूपचन्दाय धीमहि तन्नो जितो प्रचोदयात् ।।

मौलिक और स्वरचित है।

## ईश्वर से कुछ मांगना हो तो सद्बुद्धि माँगे

किशती का मुकद्दर ही लहरों से लड़ाई है  
किस दौर के सागर में तूफ़ान नहीं मिलते।

जय मोहयाल बिरादरी!

ईश्वर से कुछ मांगना हो तो सद्बुद्धि मांगनी चाहिए।

गीता ऐसा अद्भुत ग्रन्थ है जो थके हारे गिरे हुए को भी उठाता है, भयभीत को निर्भय, निर्भय को निःशंक, निःशंक को निर्द्वन्द बना कर। नारायण से मिला कर जीते जी मुक्ति का साक्षात्कार कराता है, एक मासूम बच्चे की कहानी तो आपने सुनी होगी।

एक 6 वर्ष का लड़का अपनी 4 वर्ष की छोटी बहन के साथ बाजार से जा रहा था। अचानक से उसे लगा कि उसकी बहन पीछे रह गयी है। वह रुका, पीछे मुड़कर देखा तो जाना कि, उसकी बहन एक खिलौने के दुकान के सामने खड़ी कोई चीज निहार रही है। लड़का पीछे आता है और बहन से पूछता है, “कुछ चाहिए तुम्हें?” लड़की एक गुड़िया की तरफ उंगली उठाकर दिखाती है। बच्चा उसका हाथ पकड़ता है, एक जिम्मेदार बड़े भाई की तरह अपनी बहन को वह गुड़िया देता है। बहन बहुत खुश हो गयी। दुकानदार यह सब देख रहा था, बच्चे का व्यवहार देख कर आश्चर्यचकित भी हुआ... अब वह बच्चा बहन के साथ काउंटर पर आया और दुकानदार से पूछा, “कितनी कीमत है इस गुड़िया की?” दुकानदार एक शांत और गहरा व्यक्ति था, उसने जीवन के कई उतार देखे थे, उन्होंने बड़े प्यार और अपनत्व से बच्चे से पूछा, “बताओ बेटे, आप क्या दे सकते हो??” बच्चा अपनी जेब से वे सारी सीपें बाहर निकालकर दुकानदार को देता है जो उसने थोड़ी देर पहले बहन के साथ समुंदर किनारे से चुन चुन कर बीनी थी!!!

दुकानदार वो सब लेकर यूँ गिनता है जैसे कोई पैसे गिन रहा हो। सीपें गिनकर वो बच्चे की तरफ देखने लगा तो बच्चा बोला, “सर कुछ कम हैं क्या??”

दुकानदार:—“नहीं—नहीं, ये तो इस गुड़िया की कीमत से भी ज्यादा हैं, ज्यादा मैं वापस देता हूँ” यह कहकर उसने 4 सीपें रख ली और बाकी की बच्चे को वापिस दे दी। बच्चा बड़ी खुशी से वो सीपें जेब में रखकर बहन को साथ लेकर चला गया।

यह सब उस दुकान का कामगार देख रहा था, उसने आश्चर्य से मालिक से पूछा, “मालिक! इतनी महंगी गुड़िया आपने केवल 4 सीपों के बदले में दे दी?”

दुकानदार एक स्मित संतुष्टि वाला हास्य करते हुए बोला, “हमारे लिए ये केवल सीप है पर उस 6 साल के बच्चे के लिए अतिशय मूल्यवान है और अब इस उम्र में वो नहीं जानता, कि पैसे क्या होते हैं?”

पर जब वह बड़ा होगा ना... और जब उसे याद आयेगा कि उसने सीपों के बदले बहन को गुड़िया खरीदकर दी थी, तब उसे मेरी याद जरूर आयेगी, और फिर वह सोचेगा कि....

“यह विश्व अच्छे मनुष्यों से भी भरा हुआ है।”

यही बात उसके अंदर सकारात्मक दृष्टिकोण बढ़ाने में मदद करेगी और वो भी एक अच्छा इंसान बनने के लिए प्रेरित होगा.... हमारे जीवन में मानवीय उद्देश्यों के प्रति विश्वास होना हमारी जरूरत है!—**मेहता वेद प्रकाश मोहन, हरिद्वार, मो. 9453287204**

इस मुकाम को हासिल करने के लिए उसे काफी मेहनत करनी पड़ी और वह लगातार अभ्यास कर रहा था। हार्दिक का कहना है कि उसे प्रतियोगिता में भाग लेते हुए यकीन था कि वह इस बार नया रिकार्ड बनाएगा और प्रथम स्थान हासिल कर जिले का नाम रोशन करेगा।

### दादी माँ

आज भी याद आती है

दादी के हाथ से खाई रोटी की बुर्खियाँ,

आज भी याद आती है

उनकी गोद में सिर रखकर दूर हो जाती थी  
सारी बीमारियाँ और परेशानियाँ।।

आज भी याद आती है

बिमार होने पर पूरे दिन दादी के पास रहना  
और स्कूल आते ही उन्हें सबसे पहले पूकारना,  
उनके न मिलने पर माँ पापा से पूछना  
और पूरे घर में उन्हें ढूँढना।।

आज भी याद आती है

जो बात किसी से नहीं करनी वो दादी  
से करना और किसी के डाटने पर  
दौड़ कर उनके पास चले जाना।।

आज भी याद आता है

लोग जन्मत दुनिया में ढूँढते हैं लेकिन जिसके पास दादी  
माँ है उसके पास पूरी जन्नत है,  
क्योंकि

दादी माँ सिर्फ एक शब्द नहीं

वो तो खुद में ही पूरी किताब है।।

लव यू दादी माँ
