PROCEEDINGS OF THE GMS ANNUAL GENERAL BODY MEETING HELD ON 9TH NOVEMBER 2014

The programme started at 10.00 a.m. on 9th Nov. 2014 with Registration, wherein all members signed their attendance on arrival at the venue, where they were given a copy of the report of the Secretary General and a copy of audited Statement of Accounts. Refreshments were served to all members, who had come from all over the country and used this opportunity to meet each other and exchanged pleasantries. Over 450 Mohyal brothers and sisters attended the function.

Lt. Gen. B.K.N Chhibber, PVSM, AVSM, VSM was the Chief Guest, who was given a affectionate welcome by Rzd. B.D. Bali, President GMS and the Mohyal Community. They unfurled the Mohyal Flag, which was followed by chanting of the Mohyal Prayer led by Smt. Krishan Lata Chhibber and Smt. Sunita Mehta and roars of JAI MOHYAL. After this wreaths were placed on the portrait of Bhai Mati Dass by Gen. B.K.N. Chhibber and Rzd. B.D. Bali. Bhai Mati Dass had achieved martyrdom on 9th Nov. 1675. The dignitaries were thereafter escorted to the dais after lighting the inauguration lamp. (Deep Prajwalan).

Lt. Col. L.R. Vaid welcomed the august gathering and said, we look forward to a pleasant and fruitful interaction. He said the Business Session will include, Report by Shri D.V. Mohan Secretary General, followed by presentation of Accounts by Shri B.L. Chhibber IRS and Points from members. He told the House, that the Extraordinary General Body Meeting will not be held since due to an oversight, the agenda for the same was not circulated. He then requested the House to rise and pay homage to all members of the *Biradri* who left for their Heavenly abode. The House stood up and observed two minutes silence as a mark of respect for the departed souls. After the members took their seats, Col. Vaid said that it was a matter of great honour for us to have Lt. Gen. BKN Chhibber former Governor of Punjab amongst the *Biradri* today, a Mohyal with a very wide experience who is respected and loved by all. The House formally welcomed him with a thunderous applause. Col. Vaid than said that we are very fortunate that we have Rzd. B D Bali as our Team Leader. When you give so freely your Time, Talent and Treasure you truly make the world a wonderful place and that is exactly what Bali Sahib has done for the community. He has served the community selflessly since 1978. He started literally from a scratch and has created assets for which he will be remembered for generations to come. The House expressed its gratitude to Rzd. B.D. Bali by a thunderous applause and roars of JAI MOHYAL. Col. Vaid than invited Bali Sahib to give his welcome address.

Rzd. B.D. Bali said that he has been involved with GMS for many many years. He reminisced how when he took over the GMS in 1978, there were plenty of blessings from the elders but there was hardly any cash or bank balance. The meetings were conducted in a tin shed in Inderpuri, sitting over the gunny bags with almost no fan. His first action was to create credibility for our parent body and towards this end, he brought in eminent Mohyals with successful background who would not only inspire the community but also give the benefit of their expertise. Unity was another important factor and all the local sabhas had to be set up and

reactivated to involve the community in totality for any development and progress in future. Today, looking back, it is a matter of enormous gratification that presently GMS stands at a pedestal of which we all can be proud.

He said that besides GMS there are almost 70 vibrant local sabhas who excepting one, are all affiliated to the GMS and we have their full support in every way and everything. All the projects which we have launched, the community came forward with full financial and moral support because they had confidence in their apex body and a trust that every penny contributed will be judiciously spent for the welfare of the community.

30-40 years is not a long period in the history of any society. India got its independence in 1947 and we are still in the process of development. He beseeched everyone to come forward to achieve the goals to be set up in future and one must ask oneself the question "What I have done for the community and what I am going to do in future?". We have to play a positive role. We may not be there in the future but the community and the institution which we are creating, will continue to be always there. On personal side, he said that he loved every Mohyal and has no malice against anybody but he had regret only for such people who by virtue of their egos and arrogance are hurting the credibility and unity of the community and its apex body.

Lt. Gen. B.K.N. Chhibber, the Chief Guest was requested to address the House. In his opening remarks he described Rzd. B.D. Bali as a friend, philosopher and a guide of the community. He thanked Bali Sahib for personally inviting him for the function and it was a matter of pride for him to be with the family. He confessed that, had he been in Bali Sahib's place he could never have done so much for the community as achieved by Rzd. B.D. Bali. He said that Mohyals stand out in the population and history of India. It was amazing that a community of Brahmins rose to such a height as to rule over vast areas of North & North West India. He said that history shows that Mohyals have been migratory. He gave details of the origin of Chhibbers and their movement from Mathura to Rajasthan to Afghanistan to Iran, to Bera on the banks of river Jhelum. Coming from a ruling class, Mohyals still hold their heads high and are a prospering community, but there is a need to impart modern education and give guidance to the youth in order to better their prospects in life, which is being done by the GMS under the leadership of Rzd. B.D. Bali. He said that it was necessary for Mohyals to write their subcastes with their names so that they can be easily identified. Gen. Chhibber's advice was, Want more - Work more - Get more!

Shri D.V. Mohan, Secretary General read out his report which gave details of the activities of the GMS since the last AGM. The report is printed elsewhere in this issue of Mohyal Mitter.

Shri B.L. Chhibber, IRS (Retd.), started his presentation with the blessings of Lord Parshurama and Saptarishis and of our ancestors, who started the august body of GMS in 1891. He presented the audited Balance Sheets for the financial years 2012-2013 and 2013-2014. The budget proposals for the current financial year 2014-2015, copies of which were distributed to all present. He said that our ancestors had planted a small plant, which has now grown into a big banyan tree, under the shade of which we all are now sitting.

He explained the salient features of the statements of Accounts and said that our motto has been that our income should always be more than our expenditure. In this connection, he cited a Sanskrit *shloka* from Ramayana containing discussion between Lord Rama and his younger brother Bharat, i.e. Income should be more, expenditure less and revenue should not go into the hands of undeserving citizens.

He said that our biggest source of income has been the Rental of a portion of Mohyal Foundation Building, which we have given on rent to an NGO, PATH. Rental income for the year 2012-2013 was Rs. 1,32,48,000/- and Rs. 1,38,24,000/- in 2013-2014. Second source of income has been donations. Interest accrued on donations to Trusts is the third source. In 1978, when Rzd. B.D. Bali took over as President of the GMS, the total trust money was around rupees two lacs. We are now reaching a figure of Rs. 7 Crores and our aim is to increase it to Rs. 10 Crores. Our interest income from the trust money, in 2012-2013 was Rs. 75,71,000/- and during 2013-2014, Rs. 63,13,000/-.

Total donations received in 2012-2013 were Rs. 1,33,00,000/- and total donations received in 2013-2014 were Rs. 1,27,00,000/- which include donations received for Linger funds, towards rooms in Ashram and general donations.

The fourth source of income is the fee we receive in MERIT from the various courses conducted in Information & Technology at the institute and tests i.e. TOFEL and GRE we are conducting in our two world class labs as a result of which we are happy to say that MERIT is showing surplus income adding up to the main kitty.

According to the Budget Estimates for 2014-2015, as against receipts of Rs. 5,72,20,000/-, there is an expenditure of Rs. 4,75,00,000/-, (leaving a surplus of around Rs. 1 Crore) which includes relief to widows aid to weaker sections, healthcare and stipend to the students, students and cost of establishment expenses at Mohyal Foundation and various Ashrams.

Shri B.L. Chhibber appealed to the audience to open family trusts to perpetuate memory of their dear ones. As against total Trust amount of Rs. 5,92,00,000/- in

2012-2013, the figures reached Rs. 6,36,00,000/- in 2014-2015 and is projected at Rs. 6,58,00,000/-, at present and our aim is to gradually increase to Rs. 10 crores.

Chhibber Sahib explained to certain queries raised by the audience. Subsequently, the following five statutory resolutions were passed by a voice note.

Ahuja & Co., H-61, Gobind Mansion, Connaught Circus, New Delhi-110001, are hereby appointed as auditors of the General Mohyal Sabha to hold office from the conclusion of this General Body Meeting until the conclusion of the next General Body Meeting of the Society on such remunerations and terms and conditions as may be fixed and approved by the Managing Committee of the GMS.

RESOLUTION-V

Resolved, that the general body of the General Mohyal Sabha, at its meeting held on 9th November 2014, at Mohyal Foundation, New Delhi, approves and adopts the Budget proposals for the financial year 2014-2015.

OPEN HOUSE

The following speakers spoke at the Open House:

(i) Shri Rit Mohan: He said that AGM coincides with the martyrdom day of Bhai Mati Dass ji and we pay our homage to him for his great sacrifice. We are proud to be born as Mohyals.

(ii) Group Capt. D.C. Mehta: I am as proud as a Mohyal as each one over here. I come from South Zone Sabha and this Sabha has no complaints against the parent body. GMS is a big family. There can be differences of opinion. Problems can be sorted out by mutual discussion. Do not take to street and do not wash dirty linen in public.

(iii) Shri Rakesh Vaid: Let us be proud of Rzd. B.D. Bali. He has done a great task. However, there should be rules of business, which should be followed strictly. Prepare a road map to be followed strictly. We should help each other and not pull anybody's leg. Membership drive has to increase. We should be more transparent in our working.

(iv) Shri Buntly Bali: There is misuse of Social Media. I have not come here to create enemies. My purpose is to create friends. Social Media should be used in right and positive way. Good work being done by GMS should be propagated through Social Media. We all should work for the betterment of the Community.

(v) Shri P.K. Datta: I have come here to welcome you all. The motto is to progress in the interest of everybody.

(vi) Shri Himanshu Bali: Live in love. Do not fight or hate others.

(vii) Shri J.P. Mehta: There is nobody who can point out shortcomings in Rzd. B.D. Bali. I have created Local Sabhas at Sirsa, Naraingarh & Paonta Sahib. I have also helped in reviving the Sabha at Amritsar. The Interaction Committee of the GMS is not active which should be strengthened. It was wrong to stop defeated candidates from becoming Representative Members of the Managing Committee of the GMS.

(viii) Shri Vinod Dutt: What Rzd. B.D. Bali has done for the GMS, nobody can do. There is need to eradicate illiteracy from the Community. Everybody should adopt at least one child, by name. I went to Naraingarh and helped out the children and GMS gave them scholarships. There was problem at Jalandhar. I sorted out that problem. Similarly, I helped at Lambra and am willing to sort out any problem over there.

His grandfather Ch. Ganesh Dass Dutt was the first Vice President of the GMS, who helped Mohyal students, who had come to Lahore, to get education. Every problem can be solved. He has prepared an online system for booking of rooms at Haridwar. He has made a website of Khanna Mohyal Sabha and has plans to create a website of the GMS. Through an intervention, Rzd. B.D. Bali said that Sh. Vinod Dutt is a very quiet worker and a big donor and the Community is very proud of him.

(ix) Shri Sanjeev Rai Vaid: His son created a website on Ludhiana Mohyals. GMS website is not dynamic. GMS has created assets and credit for this goes to Rzd. B.D. Bali. Membership is less than 1% and it should be increased. Accounts should have been sent along with the letter of invitation of the AGM. (this was agreed upon Let brothers not fight brothers.

The meeting ended with a Vote of Thanks by Sh. O.P. Mohan, Sr. Vice President, GMS, and *Shanti Path* by Smt. Krishanlata Chhibber followed by Lunch.

AGM 2014

REPORT BY THE SECRETARY GENERAL GENERAL MOHYAL SABHA (Regd.) ON SUNDAY 9th NOVEMBER 2014

Dear members,

It is my privilege, once again, to go over the developments in the General Mohyal Sabha since the last AGM held on 26th May 2013. Before I do that, I would like to pay homage to all the members of the society, who, during the period, had left for their heavenly abode. In this connection, I would particularly mention the name of Sh. Virender Pal Singh Bali, Managing Committee Member, from Barara. Let us pay homage to all of them and pray to almighty God to grant eternal peace to their departed souls. We share the grief with all the bereaved families and pray to God Almighty for grant of strength enough to the members of their families to bear their losses.

Mohyal Youth Camp: Mohyal Youth Camp was held at Vrindavan from 28th to 30th March 2014. There were over 400 participants, 70% of whom were youth. All the participants were highly appreciative of the stay and food arrangements as also the recreation facilities. Three interactive groups were formed and the business session was equally meaningful and productive. The Financial Year 2014-2015 has been named as "Year of the Youth". There was complete unanimity in the thought that youth are the real wealth of the country and that their potential is fully developed for the advancement of the community. There was interaction with the Presidents and Secretaries of the local sabhas. The key-note address by Lt. Gen. G.L. Bakshi (Retd.) was thought provoking. It was decided to encourage the youth to join the mainstream of the Community. The response from the youth was equally gratifying and one could feel the urge in their mind to play dynamic role in the affairs of the Community. A new education trust (Adopt a Child) was announced with a one-time donation of Rs. 11,000/-, which will form a corpus fund and the interest accruing thereon will be utilized for the education of the children. Along with the Youth Camp, there was inauguration of Goverdhan Ashram on 30th March 2014 with the performance of Havan and inauguration of the Goverdhan Ashram by Mrs. Nirmal Bansal, wife of late Sh. Beni Parsad Bansal, who had donated the land to the GMS.

As a follow up to the Youth Camp, an interaction with selected Mohyal youth was held at Mohyal Foundation, New Delhi, on 27th July 2014.

Pratibhashali Vidyarthi Samman Samaroh: The last Pratibhashali Vidyarthi Samman Samaroh was held at Mohyal Foundation on 17.11.2013, with an audience of 350 guests. As compared to only 32 awardees in the initial year, the number has increased steadily to 71 awardees in 2011, 82 awardees in 2012 & 106 awardees in 2013.

Uttarakhand Tsunami: GMS team distributes relief material to victims at their doorsteps: A consignment of relief material for victims of Uttarakhand Tsunami was flagged off by Mohyal Rattan Rzd. B.D. Bali, from the Mohyal Foundation, New Delhi, on 19/09/2013. It consisted of blankets, jackets & sweaters, *daris*, tarpaulin and umbrellas. The relief team, under the leadership of Sh. Yogesh Mehta (Secretary-Youth Wing & Cultural Affairs) and consisting of S/Sh. Ashwani Bakshi, Sanjeev Bali (Bunty), Sanjeev Rai Vaid, Nirmal Vaid & Rakesh Vaid, left Delhi with material on 19/09/2013. The material was distributed to the beneficiaries in some of the affected villages, with the cooperation of local villages' Office Bearers.

Educational Relief: The beneficiaries under education scheme are also increasing from year to year. In the year 2012, there were 41 beneficiaries at Undergraduate level and 15 at Graduation & Post graduation levels. The number increased to 57 at Undergraduate and below classes and 16 at Post graduation and Technical courses, during the Financial Year 2013-2014. During the current Financial Year, there are 64 beneficiaries from the Undergraduate and below classes and 21 beneficiaries for Post graduate and Technical & Professional courses.

Local Sabhas: All Sabhas, except one, have been affiliated with the GMS, that speaks volumes for the credibility of the GMS and the unity of the Community.

Online booking: Online booking of rooms at Mohyal Ashram Haridwar has since been started.

New Mohyal Bhawan at Yamuna Nagar: A new Mohyal Bhawan, in place of the old one, is proposed to be constructed at Yamuna Nagar. Donations have started coming.

MERIT

MERIT has been on an upward swing over the last few years and its productivity has increased manifold. Its net income over expenditure, which was (-) Rs. 1.95 lacs at the end of Fin. Year 2010-2011, has grown and shown a surplus of Rs. 33.47 lacs at the end of Financial Year 2013-2014. It is hoped that this trend will continue and MERIT will continue to show surplus in the coming years also.

MERIT is accredited to IGNOU & Jamia Milia Islamia for conducting their distance education courses like BCA, MCA, CCCHNT, CCIT, etc.

MERIT is a testing centre for TOEFL & GRE. It is one of the most popular testing centers in Delhi/NCR. In 2013-2014, 220 tests were conducted. In 2014-2015, during April to October 2014, 66 tests have been conducted.

MERIT has set up two world class fully sound proof Computer Labs on the second floor of Mohyal Foundation building. These two world class labs are mainly for conducting online tests.

MERIT has recently launched its new website: <http://www.meritlogics.com>. The website is interactive dynamically, with advanced features. Anyone can access information from the website, relating to testing, training and the various courses run by MERIT.

We are planning to set up a branch of MERIT in Yamuna Nagar at the new Mohyal Bhawan, which is likely to be ready in 2-3 years' time.

Jai Mohyal!

UNSUNG & UNWEPT HEROES OF ZAFFARWAL DATTAN

Woh So Gaye Dastan Kahte Kahte

Efforts: G.L. Datta 'Josh'

The two brothers Mahasha Karam Chand Datt and Mahasha Hari Chand Datt were known for their geniality and helpful nature. Karam Chand was a staunch Arya Samajist. He was upset when he came to know that a church was going to be built in Zaffarwal. Then one day he saw the ground being dug for the foundation of the church and decided that he will do all that he can to stop its construction. He called his relative Dewan Chand Datt and they both lay on the dug out ground and declared that they will sacrifice their lives but will not allow the construction to take place. Due to their stiff opposition, the plan of building the church was given up.

On the morning of 26th August 1947, there was sudden invasion of Muslim rioters on Zaffarwal followed by large scale killing. People left their houses and fled towards river Ravi. They could not cross the river to reach the other bank in search of safety because a portion of the bridge known as Dera Baba Nanak Pul was demolished by the Baluch army. The slaughter of innocent and helpless went on till late in the evening. The wife and daughter of Mahasha Hari Chand were brutally killed and their bodies were lying before him. Even as fleeing people persuaded him to carry away their dead bodies, the noble hearted man paid no attention and kept himself busy in running to closeby water channel to dampen his turban and the little water that it absorbed he squeezed into the mouths of injured men and women lying on ground gasping for life. He carried on the noble deed till he was exhausted. Nobody knows the ultimate fate of the samaritan Mohyal and his dead wife and daughter which became part of the folklore.

Vidyawati was born in Jammu in 1904 and married to Balwant Singh Datt (born 1899) originally of Zaffarwal and later settled in a village near Lyalepur (now Faislabad). Balwant Singh spent his life as freedom fighter and was imprisoned several times and awarded Tamra Patra. During imprisonment in Karnal jail he studied about references to Bhagwad Gita in the holy Granth Sahib and published a book in Urdu titled 'Guru Granth Sahib Mein Krishan Bhakti'. Vidyawati looked after the family during frequent imprisonments of Balwant Singh and though herself studied to low standard, she would teach the children of the village instead of wasting time in aimless pursuits. Later she herself joined a school for higher study and it was a pathetic sight to see her going to school carrying her 3 months baby in one hand and books in the other. She did all this as she did not want to be a hurdle in the way of Balwant Singh in his political activities. After partition, the family settled in a small village near Panipat where there was no school and Vidyawati started teaching the children. She passed away in 1978 and Balwant Singh passed away in 1983.

Time Wasted is Life Wasted

"Time is life, it can neither be borrowed nor bought. Wrongly spent time is life wasted". How

often have we heard this from our elders, who never tire of pointing this out to us. It is true that time once gone never comes back.

Time is just a four letter word but it means a lot more than just this. We can relate it to other equalities too. All of us do believe that we will reap what we sow. If we do not spend our time properly, then we cannot expect to excel in our work. But if we utilize our time properly and prioritise our work, we will surely achieve success, happiness and satisfaction which would improve our lives. Time is precious and one who understands the importance of it and learns how to manage it, can surely change his life and the lives of people around him.

Some of you may even think that these things are bookish but my dear friends if we think about our future everything is in our hands. Yes I do agree that God does shape our lives, but he has also gifted us with a brain that we should use it in a wise manner. If we utilize our time wisely today, if we work hard today, our tomorrow will be brighter.

I would like each of you to give it a thought because we often ignore it saying that it is a very

small matter, but now we know that it is not, that we should realize the value of time. I would leave with a positive note, do remember. "Time and Tide wait for No One."

G.M.S expresses its heartfelt condolences to the bereaved families and prays to God to grant eternal peace to the departed souls and strength to their families to bear with fortitude their irreparable loss.

— D.V. Mohan, Secy. General

Dr. Madan Mohan Mehta

When we use to read obituary columns in magazines, a fear of uncertainty swept our mind. And when our dearest Daddiji

went for his eternal journey on 26th May 2014 and while writing this column that uncertainty has revealed its true picture of sorrow and agony stored within it. Tears trickle down, my hands stumbling and mind shaken down with his memories, a simple question comes to my mind *Chithi na koi sandesh, Jane who kaun sa desh jahan tum chale gaye jahan tum chale gaye Daddiji.*

Our dearest, respected Daddiji Dr. Madan Mohan Mehta, 32/2 Balkeshwar Colony Agra, left for his heavenly abode on 26th May 2014 at the age of 83 after a brief illness. He was an adorable husband, loving father, caring brother, affectionate dadaji, nanaji, and warm chachaji and mamaji. He was a pious soul and kind but strong hearted man. He was a dedicated Mohyal Brahmin, a true Punjabi, a staunch RSS and VHP member. He used to greet everyone by saying "Jai Parshuram Ji Ki".

Daddiji was a good orator, a man of principles and a very good writer. We still remember

his orations during *uthala/kriya* ceremonies which left the people spell bound and gave them the thought to introspect. He also composed his own *Gita Saar* which has embedded in us deep and rich values of *Bhagwat Gita* and our other spiritual literatures. One of the priceless possessions of him is a diary of many *Bhajans* that he has written composed and sung during many family occasions. His religious work and high ethics inspired everyone. He inculcated the habit of doing *kirtan* in us.

He was the son of a Patwari, late Mehta Chunni Lal Chibber of Kharian Gujarat (now in Pakistan). He was the brother of late Shiv Nath Mehta (Faridabad) and late Kamlesh Mehta (Agra) and late Shanti Mehta wife of late TR Mehta (Agra) and Smt Krishna Mehta wife of late Dr. BM Mehta (Agra).

He was born in Kharian Gujarat (now in Pakistan) on 14th February 1931 and later settled in Agra when he joined 509 Army Base workshop. He completed his MA in English. He married Smt Sudesh Mehta daughter of late Bakshi Jagan Nath Dutt (Delhi) in 1964 and had recently celebrated Golden Jubilee anniversary on 25th January 2014.

He took early superannuation as a supervisor from 509 Army Base Workshop in 1989. He also was a BMS (Bachelor in Medicine and Surgery) and after finishing his duty from 509 workshop, he used to run a charitable clinic at Agra, his patients used to say that "Bauji Ka Haath Bahut Saaf Hai. Hamari Adi Bimari To Inse Baat Karke Hi Thik Ho Jaati Hai". Daddiji was a pillar of strength for the family. He led a very

hard life. He struggled hard to make his kids what they are today. By nature he was straightforward, God fearing and icon of simplicity. His near and dears used to call him Mehta Sahib. He was a self made religious man by the dint of his hard work, sincerity and dedication.

Dear Daddiji, although you have chosen your own path towards eternal journey but on earth you are not forgotten though you are no more but still in our memories, you are with us always, always and always.

He is survived by his wife Smt. Sudesh Mehta, two sons Shri Deepak Mehta and Shri Rucher Mehta and daughter Smt. Ruchi Dutt w/o Shri Sandip Dutt of Ghaziabad and sister Smt. Krishna Mehta.

On this occasion the family donated Rs.11000/- towards the Langar Fund of Mohyal Ashram Haridwar.

Date of Langar: 26 May.

Mehta Prem Sagar Vaid (3.04.1934-24.10.2014)

Mehta Prem Sagar Vaid s/o late Rampiyari & Mehta Ladha Ram Vaid of East Africa & originally hailed from Dalwal now in Pakistan left for his heavenly abode on 24th October 2014. He was married to Smt. Usha (Chhibber) Mehta d/o late Smt. Somawanti & Bhai Harbans Lal Chhibber of Karyala now in Pakistan. He was born on 03rd April 1934 at Tabora in East Africa. After having spent his young days in Africa, he along with his parents & siblings re-

turned to their native place Dalwal in 1945, little knowing that their stay would be cut short, due to partition of India in 1947. They moved on to Jagadhri-Yamunanagar (post partition). On completion of his education in 1957, he decided to serve the nation & opted for service in IB. Having served the IB for over three & half decades he retired in 1992 as Asst. Director & was a recipient of Presidents Police Medal & Indian Police Medal for his exemplary & distinguished service. He was an outstanding sportsman of his time. He was

not only Captain of his College team but also, had the honour of captaining the Police Football Team in Firozepur.

Being a multy talented personality he discharged all roles to perfection. Man of principles, who spoke few words but displayed grit & character & was a bundle of conviction. An out an out family man, was a doting husband, adorable father, loveably son/brother, affectionate uncle/grandfather. A person, who had the concern of all close to his heart & was ever willing to extend a helping hand, advice & guidance to all. He admirably shouldered the responsibility of being the eldest male member (post partition) of the family & smilingly attended to all problems encountered. Frankly, he possessed all traits which entitled him, rather he ideally fit the bill to be a 'Role Model' for generations to follow. He was also, well sort after in neighborhood too & he gainfully put in use the plethora of expertise he had garnished in his service career, by being an active member of the Residential Welfare Asso-

ciation. He truly was the torch bearer & his absence would undoubtedly not only be felt but would also, hurt many near & dears.

The *Kirya* Ceremony was held on 03rd November, 2014 at the Community Centre B-1, Vasant Kunj, New Delhi which was attended by large number of friends, relatives & Biradri Members. The Dharamshant was performed by his wife & son on 05th November 2014 at their residence 1642, B-1, Vasant Kunj. He is survived by his wife Smt. Usha Mehta, son Naveen Vaid, daughters, Navita & Neerja, daughter-in-law Sunita, son-in-law Sanjay. Grandchildren, Akshay, Abhisek, Arushi, Tulika & Atika.

Smt. Usha Mehta in memory of her late husband donated Rs. 1100/- to South Zone Mohyal Sabha in addition to Rs. 11000 for Langar Fund of Mohyal Ashram Vrindhavan & Rs. 5,000/- to GMS as an add on to Widow Trust operating in the name of her late in-laws. They being from Yamuna Nagar (post partition), she is contemplating to donate appropriately to Yamuna Nagar Mohyal Sabha in remembrance of her late husband. She is desirous of handing over the donation amount in person on her next visit to Yamuna Nagar. In their hour of grief all members of the bereaved family have been reassured of SZMS unconditional & unflinching support.

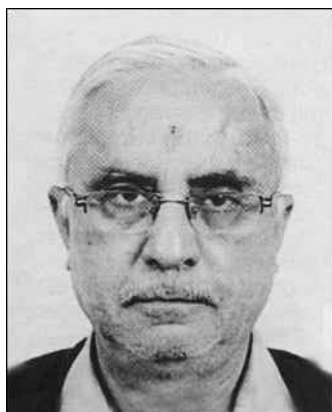

IN MEMORIAM

■ **Smt Kamla Bali**
(9.09.1941-09.07.2011): Three years have passed, but you are

still around us. Not still out of pains of sudden demise. Your presence is felt everyday. Life has become Hell without you. Time runs not walk, three years O, God "Kaya Karon, Samaj Nahin Atta, Zinda Hoon Estarah Ke Zindgi Nahin" Fondly remembered & missed by Krishan, Vanadana, Subeena, Sanjay, ICY SNOEE & COZY.

■ **Shri Tribhawan Kumar Dutta**
(18.07.1945-6.11.2013): *Barsi* of late Shri Tribhawan Kumar Dutta was held at his residence 911 Sector-4, Panchkula on 26

Oct. 2014. He was son of late Shri Tilak Raj Dutta and Smt. Raj Rani Dutta, grand son of late Shri Bodh Raj Dutta & Smt. Budhwanti Dutta. He was born on 18 July 1945 at Rawalpindi and left for his heavenly abode on 6th Nov. 2013. He is survived by his wife Smt. Veena Dutta two sons Nitin Dutta wife Shelly Dutta and Sahil Dutta wife Mohita Dutta & four grand children Rythm, Dron, Chestha and Ryan.

Later at the time of partition, the family migrated to Lucknow where he was bought up & fostered in a joint family. He graduated from KK College, Lucknow. He joined Oriental Bank of Commerce at Patiala on 2nd March 1970. He married Smt. Veena Mehta d/o late Shri Om Prakash Mehta and Smt. Kaushalya Devi on 15 Feb. 1975. He was religiously associated with O.B.C Union body & worked for the welfare of the employees. He also formed a Welfare Fund and donated wheel chairs, A/Cs to P.G.I, but ironically he faced hard-time finding a wheel chair during his treatment at the same hospi-

tal. The fund also contributed in providing financial aid to poor and sick people. He also acted as a strong pillar during the construction of the Bank Housing Society in Mansa Devi complex. This man of letters had leadership qualities and always led from the front. Act honestly and go boldly was the mantra of his life. After the death of his parents, he flawlessly played his part as the head of the family and acted as a binding force. Dominus was a magnanimous devotee and used to bring the jyot from the Jwala Devi temple on every Navratras. He had a good elocution skill. His radiant and inspiring speeches used to leave a mark on the mind of the listeners, consecutively followed by the slogan 'comm. T.K Dutta Zindabaad...' He was an awesome chef and cherished cooking for others. He seemed to be the brand ambassador for punctuality.

Seeing so many loving friends and relatives on the day of his final journey is a reflection of how he lived and what type of man he was. We always prayed and wished that he could have lived for few more decades if not a century and would have protected us like the 'great wall' against the evil times. We miss you so much if we get another life, we would choose you once again. While our hearts are now filled with sadness and tears, we have many memories of the platonic bond. The lion's roar is heard no longer, your body has died but your spirit lives strong in each one of us where it forever belongs. Perhaps, God needs you more urgently in heaven for the next assignment...We will meet again. The family donated Rs.500/- to GMS on the Barsi of late Shri Tribhawan Kumar Dutta.

A Sad Commentary

Trust me after a lot of introspection & contemplation, I have arrived at this decision to pen down my views on the Ugly Spat that occurred on 9th Nov. 14 during the AGM at the Mohyal Foundation. At the outset I have no hesitation in confessing that I am indeed a shattered/heartbroken Mohyal. I am writing purely in my personal capacity & harbor no intentions to write for or in favor of any individual, nor do I intend to demean/denigrate anyone. As is known I was given an opportunity to address my brethren at the AGM & had spelt out my aim / objective, which was to bring back our brothers & sisters who have unfortunately been way led & have taken the path of confrontation with the apex body. Usually, I do try to attend the AGM if in town & this one I had decided to give it a miss as I had some other pressing commitment which was clashing with AGM. But seeing the developments that had since occurred after the 12th Oct meeting & also, seeing the messages doing the rounds on Whats App, I was forced to rework my schedule & decided to attend the meeting. I was under the impression that if any disruption is planned it would be in the start of the meeting. I was indeed pleased to note that the meeting commenced peacefully & no untoward incident occurred, barring a few skirmishes during presentation of accounts which cannot be termed as unusual. The reasons for turning of tables is not known to me as I had left after Mr. PK Datta's address, to meet my other commitments.

As I am made to understand the scenario turned so ugly & deplorable that the Chief Guest left immediately after the meeting. If that be so, how on earth do we claim to be proud Mohyals? Don't you think any & every self respecting Mohyal would be forced to hang their head in 'Shame'. For gods sake, I take this opportunity & 'APPEAL' to all likeminded self respecting Mohyals to rise to the occasion & ensure that the disgruntlement brewing is

nipped in the bud & all such brothers/sisters are made to see light of the day & brought back on track. The need of the hour demands of us to eradicate negativity in totality, so as to usher in camaraderie & spirit-de-corps for which our ancestors had toiled for.

A small piece of advice for all those brothers/sisters who have gone astray for reasons best known to them:-

- We the Mohyals are 'Apolitical', hence refrain from playing dirty politics.
- GMS may have erred in your perception. Remember two things, firstly 'To err is human' & secondly, only those make mistakes who work, surely you will agree a person not working will never make mistakes.
- It would be in order to be fair to Bali Sahib & his team; for all that they have done & brought us to the level where we see ourselves. Remember it is their relentless & unflinching efforts which have been manifested in a healthy financial standing.
- If one has seen something wrong, then kindly walk up to them & apprise them of your perception. One important thing to be borne in mind is that we may be viewing it from a micro level, whereas, they are supposed to take a macro view. Hence, a healthy discussion sitting across the table would be in order.
- It is an universal fact that every Chair has inbuilt constraints / limitations & as such till such time one doesn't sit on it & get first-hand experience, one would be well advised not to criticize for cheap popularity/obtaining TRP's.
- It is intriguing to note that it is only in the recent past, individuals & group of individuals have started depicting extraordinary interest / keenness & enthusiasm in running of our community affairs. I only hope, wish & pray that the lust / temptation to control a financially

rich & solid organization is not the only basic cause of attraction. The corollary that flows out of this is, where were they when Bali Sahib stepped in his third/fourth term of Presidency. I sincerely, seek indulgence of all those whom I may have inadvertently hurt with no offences meant.

- Bali Sahib has given his precious time & energy and it is no joke to give over 30 years of one's prime life for the betterment of his Biradri, especially when his presence is most required at home too. Usually, one devotes time or takes up social activities after retirement; this was not to be in his case. He should be made 'President Emeritus' for which no elections are required. Such a step would entitle him to oversee the functioning of GMS & to guide us for a long time.

I would like to sign off on an optimistic note, that my unsolicited views, do bring about the desired change in Mohyal environment for the better of our biradri.

Long live Mohyaliat.

Humility exalts man to the heaven of glory and power, while pride abases him to the depths of wretchedness and degradation..... Those who are the beloved of God, in whatever place they gather and whomsoever they may meet, must evince, in their attitude towards God, and in the manner of their celebration of His praise and glory, such humility and submissiveness that every atom of dust beneath their feet may attest the depth of their devotion.

—Saying of Baha'u'llah

Renunciation of the fruits of action is the centre around which the Gita is woven. It is the central sun around which devotion, knowledge, and the rest revolve like planets.

DIABETES – A Life threatening Disease 2

Other reason of diabetes: Beside the pancreas not functioning properly, the other reasons are due to non functioning of our vital organs like adrenal gland, thyroid, pituitary gland and liver. Only tests can confirm this.

Treatment of diabetes by yoga Asans: Doing the following Asans in the supervision of an expert Yoga teacher in the early stages of diabetes would help to cure the disease within week's time.

Asans: Mandukasan, Ardhamasyendrasan, Navasan, Konasan, Suryanamaskar, Halasan, Navkasun, Janushirasana, Kamarchakra, Bhujangasana and Shalabhasana. In the beginning of Asans it is necessary to do the 10 to 15 warm ups exercise. This would open your stiff joints and help in doing the asans.

Shudhi Kriyas (Purification Methods) Kunjal, Ananta (Do it if you suffer from constipation), Jalneti, Rubbarnati once in week. Put few drops of mustard oil in your nose every day after morning bath and in the night before sleeping.

Pranayams: Kapalbhati, slow deep long breathing, Anulom Vilom, Agnisar, Bhastrika (only in winter season). Regular morning brisk walks about 3 to 4 kms and slow walk about 1.5 kms in the night after dinner.

Vegetables beneficial for diabetic: Cucumber, Turnip, Garlic, Onion, Lauki, Bittargard, Spinach, Fenugreek, bathua, Chaulai, methi, Amla, tomato, Carrot & Cabbage. In fruits you can take Jamun and Bel. Butter milk, diet rich in fiber is recommended. Whole grain and vegetables (with fiber) are very beneficial because they slow down absorption which helps a rapid rise in blood glucose.

Foods to be avoided: Strictly avoid potatoes in any form, rice, sweet fruits, fried food, all maida made items in any form, oils, meat, fish and non-veg food, Murraba, tobacco in any form, refined sugar, soft drinks and alcohol.

Personal behaviour Avoid Anger, Stress and worry: Ayurvedic Treatment-Tender leaves of the mentioned plants eaten during morning walk reduce the blood sugar level. Leaves of Neem, Sadaabhar, Jamun, Gurmaar, Apple guard, Lemon, Karela fruit, Gyloy sticks, Mahua, Aloeveera 4 to 5 leaves only, Black pepper and dry herbs vijaysoar, dry gyloysticks, Paneer Dodaa (dry kashmiri flower) will be very beneficial.

Most important suggestions: For Diabetic patient Food control is necessary. Eat small amount of meal at frequent intervals rather than a few large meal each day. Try to be tension free,

be happy and smiling always. Do regular yoga and morning walk. Be careful eating guava (Amrood) fruit. Peel of the skin (thin), Eating with skin causes immediate rise in blood sugar. Diabetic patient must strictly follow this suggestion, he should attach a small card with his identity card mentioning in bold letters Diabetic Patient in English and Hindi.
